Explanatory Notes

1. Motor Vehicle Registrations

Motor vehicle registration deals with licensing of motor vehicles with respect to those registered for the first time and license renewal of pre-existing ones. First registrations are done at the Department of Road Transport and Safety (DRTS) only, while renewals are done at DRTS offices, Post Offices country wide and some stores like Sefalana Cash and Carry. First Registration could be new, used or rebuilt.

2. Air Transport

Air transport section covers the movement of aircrafts and air passengers both locally and internationally.

International movements refer to movements made by aircrafts and passengers to destinations outside Botswana whilst domestic movements account for travels made within Botswana. The movements are further categorized into scheduled, non-scheduled and private.

Scheduled aircraft movements refer to commercial airlines operating on a time table while non-scheduled aircraft movements refer to commercial aircrafts which operate as and when needed. Private aircraft movements refer to non-commercial individual aircrafts. Scenic aircraft movements refer to airlines that focus on wildlife and surrounding natures.

3. Rail Transport

Rail Transport covers passengers and goods transported by rail and the revenue generated from the conveyance of these goods and passengers. Botswana Origin is comprised of Total Exports and Local Traffic goods while Botswana Total is an addition of Total Imports and Botswana Origin goods. Total Traffic is made up of Total Exports, Total Imports, Local Traffic and Transit Traffic. Local traffic is goods transported within Botswana and Transit Traffic is goods transported through Botswana to other countries.
